FIRST CITIZENSHIP COURSE IN ENGLISH!

This month, MI initiated the first Citizenship Preparation Course in English, providing an overview of United States history, the entire process for naturalization, and a review of English language skills. Not only do we prepare students for their citizenship interview, but we also work with attorneys to provide legal consultation.

GED PREP COURSE BACK IN SESSION!

MI is one of the very few organizations in the Bay Area that offers GED preparation courses in Spanish. The course is easily accessible for individuals as it is offered Friday evenings and Saturday mornings, to accommodate students that continue to work full time. The 5-week course provides students with basic education for the current GED computer-based test.

MI offers the GED course 4 times a year!

SUMMER WRITING PROGRAM RETURNS!

The Youth Writing Festival (YWF) program offers a relaxed, fun, and supportive environment where participants explore expression through writing while cultivating an early interest in Science, Technology, Engineering, Art and Mathematics (STEAM) subjects. Exposure to STEAM is emphasized through activities and field trips.

IMMIGRATION UPDATE

California Real IDs

In January 2018, REAL IDs became available at DMV offices across California. The ID will be used for federal purposes, such as traveling by flight, and the standard California ID will no longer be valid for for those federal purposes including travel by flight. In order to obtain the ID, you need proof of identity, Social Security number, and residence in California. You can continue traveling with a California ID until October 1, 2020. If you are unable to obtain a REAL ID, it is recommended you do not attempt to travel by flight after the REAL ID goes into effect.
