Richmond: (510) 848-4075 ext. 303

Immigration Updates

MI's Naturalization course is in session and will last until Saturday, November 9th from 10 am- 12 pm. Immigration attorneys will be present on this last day to revise and answer any N-400 questions. If you would like a free immigration related consultation please call (510) 848-4075 ext. 302 to sign up.

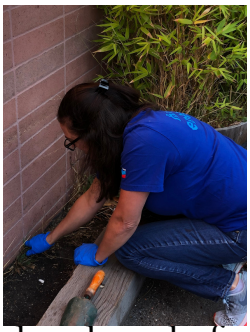
Health Updates

MI continues to partner with the Alameda County Health System and hosts a medical mobile van in front of its Berkeley office every 1st Thursday of the month. The mobile van offers direct medical services, flu shots, referrals and medication for day laborers and other homeless individuals residing in Alameda County.

Giving Back

In September, Chevron gave back to the Richmond community through their Fall Volunteer Campaign. This campaign happens annually and Chevron staff goes out into the community and gives back by participating in differed programs and services. This year they partnered with MI and provided nearly 50 hours of volunteer time!

With their help, MI's Richmond office was revitalized and prepared for a new season of programming. Chevron staff worked hard externally and internally in the office, all from gardening and pruning, to applying fresh new paint colors! Students from MI's various adult and youth programs also benefited from their organization and preparation support. A new student library was created and the office was left organized and ready for classes.



Thank you to all the Chevron staff that volunteered and to Chevron for giving back to our community!

September Fundraiser

MI's September Fundraising Event: *A Wine Tasting*, was a great success! Our guests spent the evening celebrating in MI's beautiful patio. They enjoyed great food, drinks, and raffles. MI thanks all the guests, donors and sponsors that made it such a success. See you all in December for our next fundraiser event!
