Remembering MI Family

The Multicultural Institute and its fellow day laborers would like to honor and remember two good men who undertook a journey from their home countries in search of a better future for themselves and their families. The MI family extends our love and support to their families. Don Carlos and Don Clemente will forever remain alive in our hearts. May they rest in peace.

Ignacio Carlos Pérez
1940 – 2020
Originally from Mexico, Don Carlos was part of the Multicultural Institute’s Day Labor program in North Fair Oaks for more than 14 years and a resident of Casa de Paz y Bien, home for MI day laborers, for more than 5 years. Don Carlos was always a hardworking man and an enthusiast for life.
In December of 2020, Don Carlos passed away after a fierce fight against COVID-19.

Clemente López
1958 – 2021
Don Clemente emigrated from Guatemala in search of a more promising life in the United States. Don Clemente joined the North Fair Oaks Day Laborer program 5 years ago when he began to look for work on 5th Street.
Friends, the MI family and those that he worked with appreciated his work ethic and free spirit.
In January of this year, Don Clemente passed away after a brave fight against COVID-19.

COVID-19 Vaccination Clinic at MI

The Multicultural Institute was able to offer the Pfizer Covid vaccine to 150 Day Laborers and community members the first week of April! MI’s Berkeley office hosted its first vaccination event thanks to the help of the City of Berkeley Health Department and Curative staff. The event was fully bilingual and helped connect the underserved Day Laborer community get vaccinated! Curative staff will return at the end of the month to provide follow up vaccines. MI looks forward to continuing to provide COVID health services across the three Bay Areas counties it serves.
